SBA VETCERT-CERTIFIED SDVOSB | SAM ACTIVE | PAYSON, UTAH

CAIRN MISSION GROUP

CAPABILITY STATEMENT

Commercial supply sourcing | Enterprise IT support

Cairn Mission Group LLC is a Utah-based, SBA VetCert-certified Service-Disabled Veteran-Owned Small Business. We support government and prime-contractor requirements through commercial product sourcing, supplier and order coordination, and scoped IT and documentation support.

CORE CAPABILITIES

Commercial supply sourcing

Field-office and operational supplies, safety and readiness items, training/event materials, IT peripherals, and commercial equipment. Product availability and sourcing are confirmed for each requirement.

RFQ and order coordination

Review specifications, part numbers, and quantities; obtain supplier quotes; compare pricing and lead times; document order requirements; and track delivery.

Enterprise IT and documentation support

Founder experience supports scoped service-desk and account-support work, technical troubleshooting, knowledge documentation, training coordination, and operational reporting.

Partner-supported fulfillment

Coordinate suppliers and qualified logistics or packaging specialists when a requirement needs additional delivery support. Confirm qualifications, responsibilities, and capacity before committing.

DELIVERY APPROACH

An owner-led model with direct founder communication. Delivery scope, supplier availability, packaging and shipping requirements, partner capacity, and financing are confirmed for each opportunity.

FOUNDER EXPERIENCE

Founded and led by Matt Pettijohn, a retired U.S. Army Senior Noncommissioned Officer with 20 years of military service and subsequent Army enterprise IT support experience. Relevant experience includes service-desk support, technical troubleshooting, training coordination, operational documentation, and reporting quality control.

Founder experience reflects individual work before Cairn's formation; it is separate from corporate past performance.
